DATE: _____

Rx LOVE endures long and is patient and kind. Love never is envious nor boils over with jealousy; is not boastful or vainglorious, does not display itself haughtily. It is not conceited — arrogant and inflated with pride. It is not rude (unmannery) and does not act unbecomingly. Love (God's love for us) does not insist on its own rights or the own way, for it is not self-seeking; it is not touchy or fretful or resentful; it takes no account of the evil done to it — it pays no attention to a wronged wrong.

It does not rejoice at injustice and unrighteousness, but rejoices when right and truth prevail.

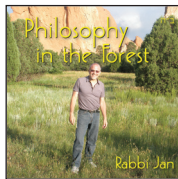

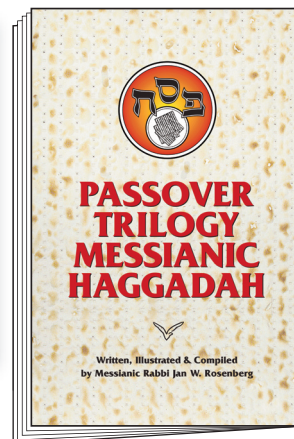

Love bears up under anything and everything that comes, is ever ready to believe the best of every person, the hopes are fulfilled under all circumstances, and it endures everything (without weakening). Love never fails, never fades out, becomes obsolete or comes to an end. WARNING: Love is contagious!
